Protection for the Next Millennium™

Superior Coverage

Protection for the following listed parts:

Engine (Gas or Diesel): All internally lubricated parts within the engine plus the cylinder heads, engine block, engine mounts, flex plate, flywheel and ring gear, harmonic balancer, intake and exhaust manifolds, water pump, oil dipstick and tube, oil pump, oil pump drive sprocket, timing chain/belt and timing chain tensioner. The oil pan and valve covers are only covered if damaged by an internally lubricated part.

Hybrid Electric (HEV) Components: Inverter/converter transformer units including all internal components and cover; continuously variable transmission (CVT) and all internal components; power split device and all internal components; reduction/reducer box and all internal components; onboard battery charging system including charge controller, plug in outlets, plug in cable and trickle charge cable; electric air conditioning compressor and motor, and seals and gaskets for the above listed components. *HEV battery (nickel-metal hydrate or lithium-ion drive propulsion battery) including the case and mounting hardware are specifically excluded.*

Turbo/Supercharger: All internally lubricated parts. Housing is only covered if damaged by an internally lubricated part.

Automatic Transmission: All internally lubricated parts, torque converter, transmission mounts, vacuum modulator, all gears, governor, oil pumps, clutch plates, shafts, internal valves, rings, servo units, friction and steel drums, bearings and bushings, and bands. Transmission case is covered if damaged by an internally lubricated part.

Manual Transmission: All internally lubricated parts, all gears, all bearings, main drive gear, internal shifting components, synchronizing drum, shafts and spacers, main shaft and bushings. Transmission case is covered if damaged by an internally lubricated part.

Drive Axle Assembly (Front & Rear): All internally lubricated parts within the drive axle housing plus the center carrier bearings, constant velocity joints, double offset joints, drive shaft/yokes, four-wheel drive actuator, locking hub mechanisms, propeller shafts and universal joints. The drive axle housing is only covered if damaged by an internally lubricated part.

Transfer Unit: All internally lubricated parts within the transfer case. Transfer case is only covered if damaged by an internally lubricated part.

Electrical: Alternator, voltage regulator, starter drive, starter motor and starter solenoid, distributor, pick-up coil, ignition module, integrated power distribution module (IPDM), fuel pump relay, crankshaft position sensor, camshaft position sensor, vehicle speed sensor, electronic off headlamp sensor, power antenna motor, wiper motor(s) (front & rear).

Fuel Delivery: Fuel injectors, fuel injection pump, primary fuel pump, secondary fuel pump, fuel level sending unit and metal fuel lines.

Air Conditioning & Heating: Compressor, compressor clutch, compressor clutch coil, condenser, evaporator, serpentine belt tensioner and blower motor.

Brakes: Master cylinder, wheel cylinders, disc brake calipers, vacuum assist booster, proportioning valve, hydraulic lines and fittings.

Front & Rear Suspension: Upper and lower control arms, control arm shafts and bushings, upper and lower ball joints, king pins and wheel bearings.

Seals & Gaskets: Are covered for the components/parts listed.
