Windshield Protection

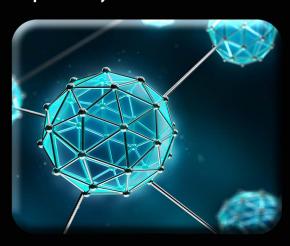

Janus Xtreme Windshield Sealant smooths and seals the microscopic pores and pits in the surface of the glass, helping to minimize damage from flying rocks and road debris.

Covers rock chips and cracks up to 6 inches

Science of Nanotechnology

Janus Xtreme bonds at a molecular level with the vehicle's painted and glass surfaces to protect for years to come.

Paintless Dent Repair

Surface Preparation

Surface Prep Features:

Exterior Surfaces

- Surface deaning prior to repair
- Removal of environmental damage and minor dents on repairable surfaces

(as determined by industry standards and a certified technician)

FIRST CLASS MOTORS
